**June 17<sup>th</sup> to July 16<sup>th</sup> 2020**

### **Jobs Done**

Not a lot done still in Lockdown, most people nervous of large gatherings, however

- Jon Marsh made the vandalised (arson) play equipment in the Rec play area safer and tidier
- Pete Desborough and Carina Helmn replaced the bark under the play equipment at the Recreation Ground
- Mick Saunders, David Desborough and John Murphy replaced posts and rails in Parkfield Sports Ground car park and on the Horse Show field fence
- Jon Marsh removed the lower branches of a tree in Church Lane
- John Pollington cleared the drains on Church House roof
- Mick Saunders tightened up the slats and the legs on one of the plastic picnic tables in the Recreation Ground

### **Benches**

I see 'benches' is on the agenda for the next meeting. Attached is a list of all the benches the BWP is looking after. We have procured and installed most of these over the last 15 years. We have two people who only look after benches, these are their work sheets.
