

Public Consultation:

KIMPTON FLOOD INVESTIGATION

Wednesday 19th November 2014

Kimpton Memorial Hall – Green Room

Hertfordshire County Council commissioned a study into the flood events that have affected Kimpton, most memorably in 2001. This has looked at **how** and **why** the flooding occurred, and will examine **ways the flood risk can be reduced** in the future. The initial findings of this study are now ready, and you are invited to come along and contribute to the consultation:

Presentation: 2 - 3pm

Drop-in session from 3 - 6pm

Repeat presentation: 6 - 7pm

Representatives from **Hertfordshire County Council, the Environment Agency, North Hertfordshire District Council, Kimpton Parish Council** and the **Environmental Consultants ESI** will all be present to answer your questions.

For further information contact **Emma Ryder** at Hertfordshire County Council
