

Welcome Pack

Welcome. We delighted that you have chosen to settle in Kimpton, Blackmore End or Peters Green. And hope that this website contains information about the parish and contact details that may be useful in your first few months.

There are many events organised in Kimpton throughout the year, some of which are detailed below. You will see posters for these and many other events and activities on the Notice Boards around the parish and pinned to fences. There is a Kimpton Village Group on Facebook that keeps people up to date on news and there are other village related web sites and FaceBook sites.

Recreational and social clubs of all kinds operate in the parish - Probus, Women's Institute, Garden Club, Players, Local History, Book Clubs, Community Choirs and many more. For children and youth all of the sporting clubs provide facilities and coaching and we have active Scouts and Guides packs. All groups welcome new members so do get in touch. And to put the community into a festive atmosphere the parish council organises a Kimpton Christmas Market on The Green in December. Kimpton seems to be very rich in things to do for such a small community.

Please do not hesitate to contact me by telephone or email if you would like more information about the parish and I'll endeavour to obtain it for you. Also please forward your email address if you would like to be added onto the Kimpton email alert distribution that I send out from time to time with local news. We hope that you will enjoy making Kimpton your home.

Best wishes,

Mrs Carina Helmn
Clerk to Kimpton Parish Council
