## Parkfield Sports Ground

Kimpton Parish Council

Proposed Works 2023-24

Existing tree cover represented for indicative purposes only - exact locations of individual trees are not marked.

100m of new hedgerow to be created between foot of playing field slope and fenceline along eastern site boundary. Using a mix of native species whips selected for wildlife value and visual appeal, this will create a habitat corridor linking existing hedgerow on eastern edge of carpark to site perimeter tree cover along eastern, northern, and western boundaries.

**Carpark northern edge:** replace failures from previous hedgerow planting. Assess in summer to establish numbers.

**Carpark eastern edge:** existing hedgerow to link to new hedgerow along eastern site boundary.

**Carpark western edge:** upgrade canes and spiral guards used on previous hedgerow planting to 1.2m stakes and tree shelters to increase protection against damage by stray balls from basketball court.

**Carpark western edge:** replace failures from previous hedgerow planting. Assess in summer to establish numbers.

Gaps in sparse hedgerow along northern edge of entrance drive to be filled in as required using native species whips, to supplement gapping-up work already undertaken.

**Carpark southern edge:** existing hedgerow to be assessed; dead trees removed and healthy trees retained; ivy to be retained where possible as wildlife habitat and food source; hedgerow to be gapped-up using native species whips in same mix as southern boundary hedgerow, ensuring new planting is kept a minimum of 1m away from edge of Right of Way.

**Southern boundary:** recently-planted hedgerow to be assessed in summer, and failures replaced as necessary in autumn/winter.

Right of Way to be cleared of encroaching vegetation, debris, and unauthorised fencing modifications, along full extent of southern boundary to prevent obstruction and facilitate use.

### Legend

Parkfield Boundary

### Features

#### Type

- Amenity grassland
- Carpark
- Entrance drive
- Established hedgerow
- Gappy hedgerow
- New hedgerow (proposed)
- Recently planted hedgerow
- Right of Way
- Tree Cover
