

Get involved – Make a change

Become a Kimpton Parish Councillor

Do you care about Kimpton, Peter's Green and Blackmore End? Do you want to make a long-lasting change and do you have innovative ideas?

Due to the resignation of two councillors, we have a vacancy for two councillors to serve until May 2026.

We need people from all backgrounds, locations, skills and experience to best reflect our community. You do not need to have lived in the village for years or have any local government knowledge as training will be provided. We perpetually look at what residents want provided locally and make it happen!

An easy way to find out what it is like to be a parish councillor is to speak to one of the current councillors; Sarah Amexheta, Alex Firth, Grahame Durrant, Nicky Jackman, Ian Pegrum, Sue O'Brien to find out what they think of the role they carry out.

What does Kimpton Parish Council do?

We own and maintain the Recreation Ground, Parkfield Sports Ground, Village Greens in Kimpton and Peters Green and manage the Allotments and Wrens Close play area. Currently we're focusing on improving local facilities through our Kimpton Pavilion Refurbishment Project, getting people together to have fun by organising Kimpton Christmas Market and providing financial support for numerous community projects and to local organisations. We represent the views of the community on matters such as planning to North Herts Council, Highways and Rights of Way to Hertfordshire County Council and crime prevention to the police.
