

## **Kimpton Bench Working Party Report**

Dismantled the marquee and returned to the container.

Restoration of the Church Noticeboard.

Fill the gatepost and decoration to NE church gate.

Cleaned and decorated the NW church gate.

Applied TLC to litter bin at cricket pitch.

Secured gate post at entrance to MH garden and trimmed hedge.

Church House hedge trimmed.

Sided out on the High Street and cleared hedging that was obscuring the road signs at the approach to the Hitchin Lane/High Street junction.

Attacked the vegetation on the bank to the S side of the bowls green: coppicing all the hazels and cutting back the other trees/bushes.

Fixed new boot brushes to the scraper at the entrance to the Rec.

Organize the removal of scrap metal to the rear of the Memorial Hall and the Rec Container

Repair a tent/gazebo at the Rec container.

Scarifying the Garden Meadow with Sue Davies.

Fix trip hazard near swings at Rec.

Erected a tent/gazebo in the Boot carpark for Di King's funeral.

Lots of silk canopy erecting and removing at Mem Hall

....and of course bench painting weather permitting.
