Stallholders

Just a quick note to say thank you for a lovely day yesterday.

The stewards made such a huge difference in unloading and loading up, I can't believe we were packed up so quickly and they were all so friendly and helpful.

Have a lovely Christmas,

Thank you for all your help organising the christmas party, we had a lovely day.

Was Just about to email you to say, what a wonderful organised Christmas fair, thank you, Juliet and your team of helpers, who were all amazing.

I have done many craft fairs etc, but not one was like this one, attention to detail was very good, caring attitude, specially when I asked If there was a cancellation could I go in the church 😊, nothing was too much trouble.

I had a truly lovely time, and my takings were good, and was asked to do the May Festival, was a bonus.

I would love to come along next Christmas, and have the same position, if possible please, as it showcased my products to the full, again many thanks 😊

We had a great time and would like to reserve the same spot for next year. I did feel a little sorry for those who were not situated in the church itself. I only realised that there were more stalls in Church House when I was directed that way to use the ladies' room. I then sent my family over there to check it out but I also felt relieved that were not in there as I think those stall holders may have missed out on some of the traffic.

Perhaps some better sign-posting would ensure that people are aware or perhaps designate that area as a 'food hall' location so that everyone selling cakes / sweets etc can be in one place? Hot drinks and some tables and chairs outside maybe?

Anyway it was wonderful, we love Kimpton it's our favourite venue so thank you and everyone involved for all of your hard work making it happen.

Hope we see you in May xx

A huge thank you for another successful market, it was magical and I appreciate that location so much- so much! I think that foot traffic was steady and consistent rather than the large burst for the 2 middle hours last year!!

Was great seeing you too x

Thank you for your email.

I would very much like to attend next year as previously discussed with a stall in the Church.

The event was very well organised I just think that once people had looked around the Church they did not all make their way up to church house

I would love to be positioned in the church next year.

Thank you for including me.

Many thanks for your e-mail and very kind comments.

I was delighted with the event and I must say that the organisation and help I received on the day were outstanding! Thank you to everyone who helped.

I would love to attend next year please and I was very pleased with my stall's location but appreciate it may not be possible to have it again next year!

Have a very merry Christmas 🎄 and happy 2024!

Hello there, thank you for your email and lots of time, effort and help with the Kimpton Christmas Fair this year. I thought it was brilliant and would like to put my name down for next Christmas please. I am Caroline Lawrence from Rock n Wool Creations.

Jon was amazing and so helpful and he did have an extra little table that we used. It was lovely to be with the other family and get to meet them. The girls are similar age to my youngest so we introduced them as well!

Thank you for having me at the Christmas market. As usual it was very well organised. The access prior to the event made setting up relaxed and easy.

I truly enjoyed the friendly atmosphere and did OK on my store. Please count me in on next years market. It is definitely a fixture in my diary.

Furthermore, both John and myself enjoyed the Friday evening event together.

We had a wonderful day at the Christmas market. It was well organised and everyone was so friendly and helpful. I will definitely be recommending it to anyone who asks.

Please can I be added to the provisional bookings for next years market.

Thank you very much for all your hard work at Kimpton Christmas market.

It was very kind of you to have Fiona and myself in the same area of the church.

The event was so well organised and the volunteers were wonderful.

I took a photograph when we were leaving - you might just make out one of the crafters carrying things and one of the volunteers.

I'm not on Facebook so I thought I would send it to you as an attachment - (please use it if it is any good to you).

You mentioned about next year - I would enjoy taking part again - please add me to your list for 2024 if that suits you.

What a lovely Christmas Market.

Special Thanks to all the Stewards who were so very helpful - and very cheerful. This made a huge difference to us.

Please pencil me in for next year.
