

Community Defibrillator Seminar

Wednesday 26th June 2024

The Community Heartbeat Trust will be demonstrating the use of defibrillators and explaining how the equipment works and its benefits to the community in saving precious minutes in the treatment of sudden cardiac arrest.

Kimpton Memorial Hall at 7pm

The more people that know how to use the portable defibrillator installed in our community, the more chance there is of saving the life of a victim of Sudden Cardiac Arrest

Everybody is welcome, and no special skills are required, just your willingness to play an important role in the event of a medical emergency

By contacting us or asking us to contact you, you are agreeing for us to hold your details on our systems so we are able to support you and contact you in respect to any enquiries; in an emergency; for other purposes relating to the defibrillator; or for research purposes.

Details of individuals (including local WebNos contact) may be transmitted to the local Ambulance Service for their command and dispatch computer system. These details will only be accessible to the Ambulance Service, or other Statutory Agency where required. In case of defibrillator activation it is necessary for the Ambulance Service to report such instances, make contact with the local caretaker, and ensure that equipment is made fully operational after use.

If delivery details have been passed to a supplier, or courier company they will be required to delete your data after delivery unless needed for repeat deliveries.

You have a right to request viewing any information that we hold on you.

All data will be held for historical purposes for a minimum of 20 years. CHT is registered with the Information Commissioners Office (ICO) for holding of this information. Data held by CHT will not be passed to any 3rd party marketing organisation.
