PARTICULARS OF DECISION

In pursuance of its powers under the above Act and the associated Orders and Regulations, the Council hereby **REFUSE** the development proposed by you in your application received with sufficient particulars on 19 April 2024.

1. By reason of its restricted plot size and limited useable garden area the proposed dwelling would appear cramped and an overly urban form of development that would be at odds with the prevailing pattern of development. As such the proposed development would be an overdevelopment of the site and harmful to the character and appearance of the area contrary to Policies SP9 and D1 of the Local Plan 2011 - 2031 and Section 12 of the National Planning Policy Framework (2023).

2. The proposed development would, by reason of its close proximity to No. 1 The Drive to the north, result in an overbearing impact, loss of sunlight to a garden area and the perception of overlooking to the detriment of the residential amenity enjoyed by existing residential occupiers. As a consequence the proposed development would be contrary to the provisions of Policies of D1 and D3 of the Local Plan 2011 - 2031.

3. The proposed development would be likely to result in future pressure to remove trees covered by a Tree Preservation Order that contribute to the visual amenities of the area.
